Very sorry to hear of Cis's passing. I knew her from when I was a little kid. My mom, Caryl Johnson worked with Cis for many years at South Chicago Comm. Hospital. They also did many social things together with their spouses Bill and Vic.I had the pleasure of working in the lab one summer when I was in college. Cis had a great smile and such a calm personality no matter what was going on. All good memories of many years ago.

"Aunt Cis" was a WONDERFUL person! Many GREAT memories of visiting Aunt Cis & Uncle Bill over the years! Will forever be remembered for the summers on Lake Michigan and their beautiful boat "Integrity"! R.I.P.

I will always charish the fond memories of my dear Aunt Cis. Crusing Lake Michigan with Simon & Garfunkle on the 8-track and hitting the shops at each little port to choose my doll or discover other treasures. You were a role model and inspiration in so many way. Love you forever! xo, Polly
