“ Alyssa I love you and I'm sorry if I have failed you somehow. My heart is broke and I wish I could've done something for you. You've always been baby girl. That's what you were to your Mom, your Dad, me and now you belong to Jesus. I pray you have found peace and joy. I hope you're with your Mom and papaw Gene and your Grandma Judy! You'll be in my heart forever. Love you, Aunt Melina
