“ Chris was a natural born leader and a upbeat person who always had a smile and a word of encouragement. We spent many "seasons" of prayer side by side on our knees and attended many mens group functions together such as Promise Keepers. I remember well celebrating his 40th birthday. My wife Tereasa and I enjoyed Chris and Marita's hospitality back when Tara was just a young girl.

I shall never forget the time Chris accompanied me to Indianapolis and literally prayed me through and helped me hang onto my sanity during a very severe bout of depression. He was that rarest of friends. No one is perfect and we've all faced struggles in our lives, but that lonely time when it seemed no man cared for my soul; Chris Irwin made an indelible imprint on my heart that shall always be my personal reminder of the kind of man he truly was.

Chris I'll see you in the morning when we meet again on the other side! Until then my brother, my friend enjoy the bliss of His presence!

Tara, we will continue to hold you up in prayer as you pass through this most difficult of times. Marg and Marita are deepest sympathies to you as well.

“ As Chris makes his journey home to God, he leaves behind a legacy of kindness, generosity, peace and hope. He was a shining light in so many people's lives. Perhaps that comes from being born on Christmas day From our family childhood on the south side of Chicago through our adulthood, we could count on Chris to be strong and gentle ... concerned and light-hearted ... as quick to lend a hand as to tell a funny story ... a faithful friend and an advocate for anyone in need. Chris was and remains a very special cousin who blessed us both with the gift of his life, love and laughter. He will have a special place in our hearts forever! To all who loved Chris and to all who grieve his passing, we send our love, prayers and sympathy. May Eternal Light shine upon him. May he rest in peace.

“ To you Marge, Marty, Teresa and Beth, my heart is deeply saddened by your loss. I wasn't one of the lucky ones to have known Chris, but for the few times we met in passing he acted like we were long time friends. I was overwhelmed by that compassion. I realize now he made people feel welcomed wherever he happened to be. An ability of which, I wish I had. I want to hold those memories dear to my heart and remember Chris as someone who gave a little "Chris"mas spirit through- out the year. Marge, I hope you and your family will find strength and peace in dealing with this difficult time. P.S. I hope my dad will give him a holler. Patti Erwin
