“ I’m so very sorry for your loss, losing a Mom, is so difficult. May all your wonderful memories comfort you in time. I am glad we had a chance to talk Dave, so we could share our stories of loss. I know my Dad would have been there to talk & comfort you if he could. My prayers are with you and entire family. God Bless. Kathy Casper-Madeja (John’s daughter)

“ My mom would always have the nicest Christmas for us when we were kids. We would get up in the morning to the smell of turkey cooking. She always made the most beautiful presents. Doll clothes, ornaments, and quilts when I got older. We baked cookies and all of her friends would come over to visit on Christmas day. She always made everyone welcome and full of joy when they came to our house. Johnny Cash was her favorite music. Sometimes she would play his records and we would listen and dance to her favorite songs. She always planned a great camping trip every year. Everywhere we went she had her camera, thank you mom for all those beautiful pictures. You were always the light in my life. You were my best friend and you will always be in my heart.
Love You Peggy your Do-Bug.

“ My grandma an I shared so many great memories together they are countless. She was my cheerleader my shoulder when I needed it most. I remember growing up an thinking how she was so amazing. I loved spending the night at her house and playing in the toy room she had for us kids at her house on Marley Rd. I love playing dress up with her old dresses and hats. My grandma always made sure everyone was welcome and we were all so lucky to have her! She has taught me so many lessons and interesting things in my life I will never forget! I love her forever and always and I know she is a beautiful angel in the most beautiful garden you could ever imagine! I’ll always miss you Grammy love Valli Kins!

“ There are so many memories I will cherish forever with my grandma. Some of the best ones were definitely at the lakehouse- making s'mores and pie dyes by the campfire, watching fireworks by the lake, going on boat rides, and the times me and Shannon spent out there with her over the summer. When we were kids I remember her taking us out to eat at Ponderosa, taking us to the public library to rent movies or books, and making crafts with us. She also loved to photograph all of us grandkids. She will be missed.
