“ Neva was a sweet soul. I loved her humor. She was so funny and true blue ! I am glad she was part of my life ! May the Love and Peace of God be a soft hug around the whole family. I'm sure she'll be telling you all to buck up and don't worry about her, she's having a great time in heaven.

“ I've been calling her number for almost a year with no answer or voice mail in which to leave a message. Had I known where she was I would have visited her. My sympathy to her family on your loss.
