“ I have 14 and a 1/2 years of memories with Richie. He would go down to the beach often early in the morning before anyone else was awake. Several times he would land a huge bass. On this day he brought a big one home and cleaned it, it was soaking. My son fished every day that he could after school. We had to go get him and almost drag him home. He came running in the house yelling for Richie and said that he had caught a few perch. He asked Richie if he would cook them for his dinner and Richie did. Then my son turned to Richie and said" Richie, do you think I could have some of your fish too? Mine is only little" Richie did share his fish with my son. My son used to try and find the same shirts as Rich so he could dress like him. Thank you Rich.
