“ I will always remember how talented Shirley was. She was a wonderful baker and always made sure to visit with a box of her yummy goodies. One thing she said to me was "I am very proud of you" Those words will stay in my heart forever!! you will be missed...

“ One memory of my Aunt Shirley is she that was always trying to "persuade" me when I was younger not to bite my fingernails. She would try to bribe me by offering me a beautiful nail polish, if I would just let them grow out. Well, it was to big of a habit for me to break as I still do this today. I wish I could have given her those beautiful nails she always wished I would have. Love and I will miss you. Rose Ann

“ Mom, You were the rock in our family and will be forever missed. Thank you for keeping me on the "straight and narrow" over the years and thanks for getting dad to "unground" me after 4 weeks after getting caught skipping school. Thanks for sticking up for me to another mom who thought her kid should be getting more playing time than me. Thanks for never telling me to cut my hair. Thanks for paying for my college education. I never knew how hard it would be to lose a parent. I was blessed to have you in my life for as long as I did. Rest in peace mom and we'll do our best to take care of dad.

“ I will miss you forever and ever. You were the best grandmother, teacher, friend, supporter and my rock. You were a mother to me and so much more. Thank you for all the things you have taught me. I get lost thinking about you because we shared so many good memories. I will take care of Gramps until he joins you one day but please watch over me because I still need you. Love you forever, like you for always, as long as I'm living, my baby you'll be.
