“ Alex and JoAnn stood up with my husband and I at our wedding in 1059. In all those years, Alex was such a good person that in all the years he has been in the family, I have never heard a bad word said about him. He was just a very good man, very family oriented, hard working and kind to all he knew. Everyone in our family has nothing but good to say about him. I know that my dear mother (Ruby)was glad to see him in Heaven. She really liked Alex and I am sure she was there to greet him. I know JoAnn and all the children are very proud of him. I pray the words of our Lord Jesus that we will be reunited with our loved ones will give you comfort during this very sad and difficult time. God Bless You All. Love, Judy
