“ Aunt Alice! How to sum up Aunt Alice?! Laughter, kindness, genuine concern for others, a great smile, a warm hug, Christmas Day family gatherings, hospitality, love. In fall 2017 at an extended family gathering I told Alice, Thank you so much for loving this niece! It meant so much to a little girl to know there was an extended network of love around her. I was so blessed and see that now so clearly. Uncle Ben, John, Mare, Rick, Buggs-thinking of you and joining you in missing your wonderful wife and mom and grieving her loss.
