“ How do you say good bye to a friend. Someone who had more energy than a couple of toddlers, someone who always had a smile upon there face, someone who always had a kind word to say, someone who could make you laugh yet leave you wondering what you were going to do next. Someone who always made you feel welcomed. You have touched many lives and many of us are still in shock of your passing as I don't think anyone is ready to say Good Bye. To the Bogard family and Patty, my heart breaks for you all and you have my deepest condolences. May the Wings of Angels wrap you comfort and his memories always live within your hearts, not with sadness , but with laughter and loving smiles. He would of wanted it that way. Soar high my friend and God Speed, You will be sadly missed , but never forgotten. Rest Peacefully Al (Bogie)
