“ Marilyn, Nancy & Candi.  
So very sorry for your loss. We all loved Hart, he will never be forgotten, he loved his God, his Country and most of all his Family (Guard and all). We've had so much fun with your family throughout the years. Just know our prayers are going out for you all. Art is with his God, but you are left here without his physical presence. Just know he will always be with you spiritually! Love you guys!
