“ Cousin Art! Oh my gosh, what wonderful memories I have. Growing up with him and his brothers was a Godsend. We played tag, hide n seek on horseback, swam in the river, played games at our grandparent's home in Knox and there was never a dull moment with Art. He was always adventurous and "ornery" but he had a heart of gold. I am sure there wasn't a better father anywhere. He loved his wife and kids with all his heart, then the GRANDKIDS came. He absolutely loved being a grandpa. Art was a friend as well as a cousin. I will miss him for the rest of my own life.

“ *Growing up, Art was fun to be around and was always interested in new things and how things worked. He liked my Harley Sprint motorcycle, and In the Spring of 1966 he asked me if he could ride it to the last day of school. I said, "Yes" and I never saw that motorcycle again until almost dark. Art was fine, the bike was fine, and so was I. He was one happy kid.*
