“ I will always remember Audrey as someone who could make me laugh. I remember her with her many dogs, at family parties back in Oaklawn, hanging on the deck at the lake, and in Alaska where we would ask her "how do like the scenery?" and she'd get wide eyed and serious and say "it's cold up here..." I always enjoyed being around her. I also remember how much she meant to my Mom and Dad. Those cherished times at the lake were some of Dad's favorite times. ...Buddies to be reunited as we sadly say goodbye. She was a truely special lady.
