“ I will always have my wonderful memories of the Christmas in Florida at Mount Dora. I spent the greatest time with Beulah, Tom, Sue, Rick and the boys. It is a week I have looked back upon and smile always. The year Florida went into the Deep Freeze. I had time to share with Beulah and it was awesome. God has a Special Angel with him now. You will be missed by everyone that ever knew you. Love you!

“ *My deepest love, prayers, and sympathy to each of you during this time of loss. Beulah will always have a special place in my heart. We shared so very much "sisters in Christ" we were. She touched my soul and filled it with God's words and understanding as we shared prayer, reflected, and read the Bible, especially the Book of Proverbs in living a good life.*

*Beulah will deeply be missed but she is in glory with our Father and singing, dancing, and rejoicing!*

*Love, prayers, and sympathy,*
