SERVICE TIMES ARE UPDATED

Beth Ann Campbell, 56, passed away peacefully surrounded by her loving family. She was born on June 9, 1969, in Knox to the late James Lee and Judith Faye Campbell.

Beth was a proud graduate of Oregon-Davis High School, Class of 1987. She went on to become a licensed cosmetologist, dedicating many years to her craft. While she found joy in that work, her true calling revealed itself through caring for others. Beth transitioned into home healthcare, where she compassionately cared for friends and family. She often said that this was what she was born to do, and anyone who had the privilege of being in her care would wholeheartedly agree. Her kindness, patience, and genuine love for others made her an exceptional caregiver.

A fun-loving spirit, Beth cherished time spent with her family and friends. Nothing brought her more joy than being with her grandchildren, who were truly the center of her world. Her laughter, warmth, and unwavering love created countless cherished memories that will live on in the hearts of those who knew her.

Beth was a faithful member of the Free Will Baptist Church in Denham, Indiana. Her faith in Jesus remained strong throughout her life and provided her comfort and peace until the day she was called home. Her favorite scripture was 2 Chronicles 7:14.

She is lovingly remembered by her three sons, Seth (Desiree) Dickson of

Hamlet, Eric Baum of Texas, and Alan (Nicole) Baum of Hanna; two stepdaughters, Becky Salyer of Plymouth and Janet (Arlan) Greer of Knox; her siblings, Jeff Campbell of Hanna, Tommy Campbell of Grovertown, Carol Geller of Plymouth, David (Denise) Campbell of Grovertown, Susan Campbell of Hanna, Gary (Eryn) Campbell, and Lance (Wendy) Campbell; as well as ten cherished grandchildren, with one more on the way. She is preceded in death by her parents, and husband Kenneth Arnett,

In keeping with Beth's wishes, cremation will take place and her family will honor her request. A celebration of life service will be held at 1:00 CDT on Saturday, May 30, 2026 at the Grovertown Clubhouse.

Beth Ann Campbell will be deeply missed but forever remembered for her loving heart, joyful spirit, and the compassionate care she gave so freely to others.

“ *Little cause I love you. I should have spent time with you.\n I remember when I've been telling people about the time we'd be uptown. When we were younger and everybody thought we were twins, you got a heart of gold, everybody loved you. You always have a smile on your face and laugh coming out of that beautiful mouth in everyone and there for my mom , when I wasn't , I love you cause , I love you recipes*

Janet Binion - May 02 at 01:24 PM

“ *She was always the light in every room. I've known her since I was a little girl running the streets of Hamlet. I went to school with her children. Seth, I am so sorry...*

Since I was young she had always been that role model and free spirit that I had always looked up to. I grew up and went to Texas and then coming back I did healthcare and reunited with her. She was that same enticing soul that I remember from childhood.

She was mother and sister to all. And touch everyone because she was just like that. I've known the family all my life and she carried a legacy that she will look down on and know she has caused her entire family blessings and she has raised a family up and she's going to be shining down and she'll always be here with us.

Beth, rest in peace my beautiful friend. Your faith in God strikes chords equal to a harp and everything you said was the melody to a beautiful song that only you and God knew. Your voice is playing your beautiful music through your words and actions of who you truly were. God touched your head your whole life and made you who you were to reach others. Sometimes you were Madea sometimes a pure angel. But you just all and I thank you.

“ *Beth Ann, my friend, you were love, you were light, and you were strength in a way this world doesn't see often enough. That is exactly why your absence feels so heavy here on earth.*

You made a difference, real, lasting, meaningful difference. Not just in big moments, but in the quiet ones too. In the way you showed up for people. In the way you loved without hesitation. In the way you stood firm in what was right, even when it meant standing alone.

You were a warrior, but not the loud kind. You were the kind who protected others, who lifted people up, who stepped in when it mattered most. You carried strength with grace, and compassion with conviction. That combination is rare... and it's unforgettable.

You gave people safety. You gave them truth. You gave them love. Those are the things that don't fade, even now.

I will forever remember you, not just for what you did, but for who you were. I will forever be grateful that I got to know you, to witness your strength, and to call you my friend.

You will be deeply missed, your laugh filled the room like not many can do, you'll never forgotten.
