“ I NEVER seen Betty without a smile on her face! She would fill the room with joy, laughter and love. Such a kind, gentle, loving woman. She will be missed by many. But now she gets to finally be with her husband, Harold, whom she still loved more than words can say to this day! When she talked about her husband, she would instantly light up! Now they are together and he wont have a moments rest from here on out! Betty will keep him dancing, laughing and seeing what trouble they can get in together. Angels be prepared!

“ I tell everyone that I wish I had an ounce of my grandma Betty's energy that she had everyday! She was loving and caring and the life of the party all rolled up into a beautiful person. I will love and think of you forever. Thank you for everything.

“ I just recently met Betty at Ray and Daneen's shower/wedding, but I knew she was a special person. She had a youthful spirit that allowed anyone who met her to fall in love with her. Watching her light up the dance floor was magical and now she is dancing among the angels. Thank you Betty for showing me that age has no limits and that it is our spirit that shines through. May you finally be in the arms of your husband as you both dance to the sound of angels singing.

“ Betty was a very special person. She always was smiling and full of joy. Besides being a caring and loving person, she was not selfish. I will always be thankful to Betty for being a neighbor to my sister, Dorothy, and helping her so much as her health declined. Whenever I came into town to see my sister, Betty always stopped by to say hi. The world has lost a wonderful angel, but heaven has gained one. Heaven will be a brighter place with Betty there.
