“ I knew her as Ms. Langedyk. She was the most memorable high school teacher that I had at Carver Area High School in Chicago. She introduced a handful of us to skiing and Gino's East pizza. She was a beautiful and kind spirit. Deepest heartfelt condolences.

“ Beverly was my "best friend" at St Ann's in Lansing. We lost touch after we went to high school and beyond, but I was saddened by the information found on face book. We only kept in touch by Christmas letter for years, but she will always hold a special place in my heart for our grade school friendship. Her brother, Rick, was in my class, but Bev and I were the only girls in the fort, which we shared with my three brothers, and Rick. I know she is having a grand reunion in heaven with Chris and Betty. Blessings, Sharyn (Karson) Bennett
