“ To a loving Aunt. We have many phone conversation memories. Calls that made us all laugh, and the stories full of interesting information shared by Aunt Billie to hold onto.

“ I first met Billie when she was active and able to walk on her own. Whenever mom, in her wheelchair and I was sitting on the sofa by TV at Avalon I would always invite Billie to sit by us whenever she walked by. She always seemed like she was searching for someone but quite often accepted the invitation just to be next to someone. My mom will miss Billie a lot. She often told staff that Billie was her sister. It didn't surprise me because Billie's face is remarkable similar to mom's sister. We'll all miss Billie as well as you and Steve. May God give you comfort and strength. Billie is Home now. Chuck Jenson

“ Our thoughts & prayers are with you this weekend. Jerry Sibbel called us with the sad news.

Randall and Billie were classmates in high school. We enjoyed being your Sunday School teachers and working with Billie in the Davis Wesleyan Women activities. Already we were missing her since she moved to the home in Valpo.

Now we can look forward to seeing her in heaven! I wonder if she and Rhonda have connected yet?!?!

“ Miss Billie was a wonderful lady. She was always happy to see us. She loved to talk about her farm and her Ryan. She was very dear to my heart as she is the same age as my Grandmother in Pennsylvania. I was so glad to see Miss Billie last Sunday when we went caroling. I miss her, yet I thank God she is at rest now with Him. She was a blessing to me and Tim.

“ My deepest sympathies. Words cannot express my sorrow in loss, nor gratitude for memories shared (hanging Christmas decorations in the sanctuary, folding Sunday bulletins, the county fair, and many others). May our dear friend be at rest in God's eternal care, and may He give us grace to face each day ahead.

“ Dear Linda, Laura and family I am sending my sincere condolences for the loss of your mother. I plan to attend the wake tonight. Hope to see you there and final get to meet with you. You are all in my thoughts and prayers. I haven't work since I quit working for your mother, enjoying retirement. I guess I have earned it at 60 years old. See you tonight.

“ Billy always had home made cookies or candies when I would stop by to visit. My mother Jean got a couple of those recipes from Billie because I raved about them. I think part of the charm of those goodies was listening to Billie talk about farming with Harry. They were REAL Farmers. I still here people say that about Billie and Harry. I hope I can be remembered like that. Scot & Semone Walter, Brad Walter, Jean Walter
