“ I am so sad to see this day come to pass but I also know that Bob is now with his beloved wife Marie and in the hands of God celebrating his new life on a new shore where we will meet again. I am so glad that I have had the opportunity to be part of this great family where Bob treated me as one of his own. I had so much fun being taken from one place to the next in the back of the pick up truck when Bob was behind the wheel. There has been nothing like the feeling of seeing Bob smile and laugh at a corny joke or a ridiculously worded impromptu phrase. I will always lovingly protect the memories of times on Norfolk Lake where all of us could find our own moments of peace and calmness or roaring laughter and camaraderie. My sincere condolences to Rob and family, Ron and family, Rich and family, Josh and Tori, Aunt Rosie and all other family members.

“ Gone is the face we loved so dear. Silent the voice we loved to hear. Too far away for sight or speech. But not too far for thought to reach. My deepest sympathy!
