“ *We had many happy memories growing up Brenda and the one that stands out in my mind is the time you stayed overnight and we camped out in the pasture under that big tree at my grandpas farm, well we tried too but got spooked and ran back to the house at 2 in the morning and you ran into dad coming down the stairs as we were running up. You nearly fell backwards...lol...Good times and there were many over the years. Although we haven't seen each other for many years I did enjoy the conversations we had over the phone and here on facebook. grew up together and I always considered you family and even though time got away from us and we went off in different directions, I thought of you and your family often. May you rest now and I light a candle for you.*
