

Brinley Alexandra White

March 27, 2024 - March 27, 2024

CULVER – Brinley Alexandra White blessed our world for a short while on Wednesday, March 27, 2024 in Northwest Health, LaPorte Hospital. Shortly after her birth Brinley was welcomed into the arms of Jesus where she looks upon her family from above as our guardian angel forever.

Brinley is survived by her loving mother Brittney White; her maternal grandparents Richard and Brenda White; her great grandmother Catherine Leverich; two uncles Rich White and James Hart III; one aunt Christina Schneider; and her godmother Nicole Howard. She is preceded in death by her great grandparents Josepine and Watson White, and Norman Leverich.

There will not be any services conducted as our family takes this time to grieve and heal with each other. We would especially like to thank the nurses at Northwest Health LaPorte for all the support and love we received during some of our hardest days.

“ Thank you for blessing me with the opportunity to know what pregnancy and birthing feels like. You were the best pregnancy anyone could have but you sure didn't like sweets. And that's ok, I dealt even tho mommy loves her sweets. Rest easy baby girl. I am so sorry we lost our fight. Forever my angel in heaven. Love you baby Brinley Alexandra ☐
