“ *Bruce was a classmate from first grade at Washington Township to high school seniors at Knox. In 4th grade we had an all girls club, "The 4 R's Club", Raffel, Risner, Rodgers and Russell to be exact. Even though it was suppose to be all girls, Bruce wanted to come to our meetings and we relented a few times and had him join us. :) I will also remember how he loved to draw airplanes and how good he was at it. He was a good friend and will be missed.*

“ *I am so sorry to hear this. Bruce was a good friend in high school, we were in band together. I could never play trumpet as well as he could. While my Dad was in Golden Living last year, Bruce was there and we got a chance to catch up. He was a rare person and will be missed.*
