“ So many good memories that it is hard to just pick one. I will always treasure the memories of watching him fly around the track in his cart to win so many trophy's. or winning all those wrestling meets.

We will truly miss you but are comforted in knowing that you are with our father and brother in peace.

Love you big brother, thanks for watching over me all those years and don't have to much fun with Dad and Paul until I can be with you.

Love your little sister!!!
