“ I was a classmate of Bryan's at JG. I remember him as being very gifted and serious. We had a nice chat at Ranells, at the service for another classmate. He seemed so very happy and fulfilled with his life since high school. Rest easy my friend.

“ *Deb and family, We're sorry to hear of your loss. I remember Bryan when he shot on our Championship pool team back in the day. He was always fun to be around and had this great smile all the time. When we would drive by the house and honk, He'd always give us a big wave. I'm gonna miss him as will anyone who knew him will. Till we meet again, God's speed Bryan.*
