“ margie and sons, i am so so sorry for the loss of your wonderful son and brother. I had the honor of getting to know chance. Chance was a wonderful young man, with a beautiful soul, and he was always smiling, no matter what. he respected others and always worked so hard. I will always remember the special place he has in my heart. Not too long ago I lost my dearest love, and ran into chance in kroger's. He was so comforting to me. I don't understand why this had to happen, I cannot express enough to you margie how so sorry I am.

Please remember all the good times and the love, I know how hard this is and want you to know if you ever need to talk you can call me. “Chance I love and miss you brother. It still makes me cry everytime I hear your name or talk about you. Growing up Me, you, Kurtis, Nick, Dakota, and Austin always considered each other as brothers. I would give anything bub to be able to go back to being young and playing baseball and always have a good old time, no matter what kinda mood someone was in or the situation was you could and would always put a smile on their face. You touched so many people and is loved and missed every single day. You will always be my brother and have a special place in my heart and life. Fly high brother, I'll see you again one day brother. R.I.P. homie. Love and miss you cuz more and more each day.
