“ *What a wonderful friend you have been to us. We shared the best and the worst of the teenage years. You were Best Man for Leann and my wedding, and I had the honor of being Best Man for you and Peggy. Although time and distance have taken us in different directions, we still had a bond with you. In my mind we will always be lovers, fighters, and wild bull riders. God Bless Your Soul* ”

“ I knew Peggy and Butch from babysitting Brad from the time he was six months to about four. I felt very close to Peggy and was devastated by her death that summer. Butch let me babysit while he worked in the summers and Brad was adorable. I loved them all and still love you Brad! My sympathies to you Brad. I'll never forget how much your mom and dad loved you.
