“ I will miss you uncle Charlie. No matter when I saw you, you always had that smile that just radiated your kindness and God's love. I know you are in no more pain and are flying with the angels. I was so blessed to have you as my uncle. We will watch over Dorothy the love of your life. After all these years you both still looked at each other like high school sweethearts. God speed peace and comfort to Dorothy, kids and family/friends. Love you! Marcie Cole

“ Charlie was a good friend, he used to always say "I'm glad you got a chance to see me" .
I remember many times when Charlie and I would go out soul winning together and I used to kid him about being so fair-skinned. Several people from Antioch Baptist including myself visited Charlie on a regular basis at Miller's Merry Manor. He always maintained an upbeat attitude and never felt sorry for himself, although I did on such a deep level and would have to compose myself after leaving the nursing home, because I didn't want it to show while I was in the room with him.
Dorothy, we love you and we admire the relationship that you and Charlie had as you were so loving and such an inspiration to the rest of us.
I am deeply saddened that Charlie is passing and he will surely be missed!
