“ *I remember the fun times playing basketball at grandpa & grandma's and sledding in the field and riding in the wagon when grandpa picked corn & the home made ice cream.
The last time i saw Squeeks i could see that he loved family gatherings & having family around.He is truly a kind and loving person that will be in my heart forever.*

“ I will never forget Squeeks leading me on our ponies, bringing the cows in for milking, he and Donna and the kids arriving at about 5 in the morning at Uncle Tubb and Aunt Diane's for Christmas morning and honking the horn so everyone would wake up. I will especially never forget him taking me "fishing" when I was little, him with his fishing pole and me with my stick. Also, cruising around Bass Lake with me and Grandma when he got his license. I will always love, miss and remember him. He was like a big brother to me. My heart is with Donna, Priscilla, Bubby, Mike, Maddie and Vanessa.
