“ Aunt Chris, may you forever rest in peace. Our thoughts and prayers go out to Rick and the family. Wish we could be there, but we are definitely there in thought and spirit. One thing I will always remember about Aunt Chris was her wonderful laughter. I know she is at peace and smiling down upon everyone. We love you all.

“ Rickey,

I am so sorry for your loss. Chris was a very caring aunt. I am so glad she and dad was able to re-connect before his passing. In talking to Chris I know she was very grateful to get to share the last few months of dad's life before he passed. The next days and months will be very difficult but in time it will get better for you. Just relive the memories of your life that you shared with your mom. Take Care!
