“ *For several years in a row during Christmas my Fiancee and I would give my Pops a Christmas card w/ an expired Chicago Cubs ticket inside. It was good for us to take him to a game once the season started. We'd take the train together and hit up a game. A Chicago style hot dog and a beer after the game @ The Cubby Bear in Wrigleyville was always included in the trip. I wish we could have went to many more games together, it was always a blast with him.*
