“ I went to school with Cindy at Oregon-Davis a long time ago. I'm not sure what grade we were in, but I do remember what a sweet girl she was. I'm so sorry for your loss.

“ To a very beautiful soul! I'll always remember how great of a woman she was. I got the pleasure of being her caregiver for almost 2 years. She became like a grandmother to me and always gave me the best advice. She was definitely one of the most selfless people I have ever met. She always cared about others before her self. Fly high beautiful! Until we see each other again ❤️

“ *When I was a very little girl I remember that Aunt Cindy was always so nice to me and made me feel special. I loved her so much that when I would play house, my play name was always Cindy. She will forever hold a special place in my heart.*
