“ Words cannot express how sad we are at the passing of Bawb.. what a wonderful man he was!! I will always hold dear the times that we sat together and he told me stories of the past with such passion and fondness.. It has been my pleasure to have been considered family by this great man, and my children have had such a wonderful grandfather. I will try to do him justice and tell the kids the few stories that I remember him telling me and the memories that I personally have of Bawb.. He will be greatly missed by our family.
