“ Dan was a good person with a big heart! In High School he liked a good party and that God Awful yellow car with the black stripes! he helped me, my sister and my brother get to Massachusetts in 1979 in it, to bury my father. He was always there for me when I needed a shoulder to lean on or have a good cry! I thought about him throughout the years and always hoped he had a good life. My condolences to his family I am sure he will be missed by them. Rest in Peace.

“ This is another one of those times that I wish I didn't live so far away and I could be there to grieve with you in your loss but also to rejoice in the heavenly homecoming of Dan. His parents and 6 brothers were there to welcome him home. No more pain. I was blessed to be with you all at one of the Berg Camp outs and be able to see Dan for the last time here on earth. Cherish those wonderful memories and allow them to help you through this difficult time. Daniel Berg, you will indeed be missed by all your loved ones.
