“ *Dan was a man like no other. We met years ago when he moved into the apt. Building I lived in. I did not know I had made a friend for life. Going above and beyond for others is an understatement when refering to him. His heart is golden. I know the impact he had on my life, with this being said to Barb Peters and Krisonica, and Tydamien My heart bleeds for your loss. I know when all of our time comes he will be there to welcome us to eternity. I Love You Daniel Stone! Thank you for gracing me with your presence.*
