“ I want to send my condolences to Davids family. I met David through my sister Susan. David was always a calm and kind soul. He always came across as a genuine and honest person. I am sorry I didn't get to know him better. I understand David passed in his sleep, what a blessing from God, I can only hope and pray for the same for myself.
God bless you David, happy trails.

“ *Dave really loved his boys; he and Loki spent lots of time playing, guiding and working with them all through their younger years. When I was down visiting in Indiana again last year, he made it a special point to "tour around" with me so I could meet and enjoy some visiting time with his young grandchildren, whom he also loved very much. Dave had a real Indiana-Hoosier sense of humor: quiet, intelligent, dry and witty. He was a good man, all around; I'll miss him, though not nearly as much as all his sons and grandchildren will. God bless him forever.*
