

David Ludwig

November 18, 1952 - October 29, 2025

David L. Ludwig, 72, of Walkerton, passed away on Wednesday, October 29, 2025, at St. Joseph Regional Medical Center in Mishawaka following an illness.

David was born on December 18, 1952, in Adamstown, Pennsylvania, to the late Mr. and Mrs. Ludwig. A simple and hardworking man, David lived his life quietly and faithfully, devoted to his family and the things he enjoyed most. He was a retired forklift driver, having spent many years with Vitco in Nappanee before his retirement. On September 2, 1978, in Walkerton, he married the love of his life, Rhonda (Clark), and together they built a loving home filled with laughter and care.

A veteran of the United States Army, David proudly served his country. He was also a past member of the Walkerton United Methodist Church. In his spare time, he enjoyed woodworking, creating beautiful pieces such as small animals and tables—often hand-painting his finished work. He also loved riding bicycles, an activity he enjoyed greatly until his health no longer allowed it.

David is survived by his devoted wife, Rhonda; two daughters, Pamela (Kenneth) Driver and Amanda Burnworth; seven grandchildren, Cameron, Heather, Mandolyn, Annabella, Nathan, Mackenzie, and Titus; four step-grandchildren, Cassie, Daden, Austin, and Audrey; four great-grandchildren; and one brother, Stephen Ludwig. He was preceded in death by his parents and one brother, Donald Ludwig.

It was David's wish to be cremated, which is being honored. Arrangements for a graveside service are currently pending at Woodlawn Cemetery, Walkerton.. David will be remembered for his quiet strength, humble nature, and deep love for his family—a good man who lived a simple, honest life.

“ *My dad was so creative and smart. I remember when the girls brought their fidget spinners over to his house. My neices and nephews and some neighbor kids wanted one so bad. So my dad asked to see one of the girls fidgets and about 1 to 2 hrs later he had made one out of wood. He ended up making tons of them and passing them out to the kids so they had one to play with too.*
