“ *Shel, Todd, and Scott, I am so sorry about your dads passing. He was a great guy and a very hard worker. I had worked with your dad and my dad (Eli) for a summer after graduating from high school and it was all I could do to keep up either of them. I can still remember our dads coming to Monticello and doing all the finish work at the funeral home. I had planned to come to visitation to see all of you and give you my condolences and see you but am busy at work. On behalf of the Roscka family my condolences.*

“ Thinking of all the things we have done, NO one has ever compared to you in my life. Our trip out West, and the sites we have seen, traveling with Chad and his great dog Keefe, You loved that dog so much and really all animals loved you. I know they knew your kindness and gentleness. Going to eat and just spending so many times with my Amish friends who were soon your Amish friends too. Our times at Diamond Lake and the many many times of playing cards with all of our friends. I feel so honored that you were my friend. The many times just going to watch the waters of Lake Michigan. I just don't know how I got so lucky but thank God for blessing me with your friendship. You are going to be missed so very much. RIP my friend. Love you, Connie

“ When you get to Heaven, be sure to be the one in charge of the gardens. You had such a knack for all the plants in your garden here on Earth. You feed so many all those years without asking for even a thanks. God keep your soul in the palm of his hand. My sympathy for your passing to you wonderful children, grandchildren, sister, and to your "special friend". The Earth lost a special "Angel but God gained a special "Angel
