“ Helen and I send our utmost sincere condolences. I met D.C. in 1974 when I got out of the Navy and moved back to NL. He and I hooked up as team mates on 2 different bowling teams. He and I complimented each other on the lanes by our friendly competition trying to out do each other. I'll always remember him and he will live on in our memories. Rest in peace "Bones".

“ *Danny(DC) you are truly going to be missed, I do not have the word to describe how I feel. You were a great brother/friend & you helped so many that needed help & never wanted anything in return... I have so many wonderful memories when we were kids & as an adult.. knowing that you are with mom & dad & other family members makes it a little easier to cope.....it's so hard to think of you as gone ... until the day we meet again. I know you are watching over us....Love & miss you*
