“ *Dee was one of those rare people who knew how to make everyone feel wanted, welcomed and cared for. She was always kind to the friends of her children and welcomed them graciously into her home and always was prepared to offer a kind word, a listening ear or a sandwich! When one looks back on childhood, there are always very specific memories that remain...mine is of this wonderful woman who truly embraced what it means to love people. Dee, may the angels greet you in heaven as those who mourn your loss remember what a kind and loving woman you were. Much love from me and all the Barkos.*

“ *So sorry to hear about Dee, have many fond memories from babysitting you kids to helping her clean and ironing Earnie's jeans!! When .we lived in Hawaii they took us out to dinner and that was such a treat because we were so strapped for money when in the Navy. They were the first people to see Jeff from back home, before my parents came over!! Will miss seeing her when in Indiana. Thinking of all of you and sending our sympathy.*

“ I have very fond memories of Aunt Dee and the family gatherings at the lake when we were young. Her warm personality, excellent cooking, and good taste are just a few of her qualities that I remember. May her family be blessed with many fond memories of such a wonderful lady.

“ I met Dee back in the early 70's when I was in business with Kathy Schroff doing beauty work. Dee was a steady customer for years and we all became good friends. She was always so gracious and kind. Through the years she continued seeing Kathy for her beauty needs and I went to sell real estate. We both went to Kathy's and we had some really good laughs and visits about the "Old Times". Big hair, white boots and everything that went with that era. I will miss her kind smile and witty comments. She was the strongest little lady I know. Bless you all in your time loss. She loved you all very much. God Bless, Karen
