“ My son, Parker Lovely, was in Mrs. Deel's class at Mary Daly. Tomorrow will be a hard day for the students returning from Christmas break. The last conversation I had with her, I told her I knew she was meant to be Parker's teacher. He is very sad this weekend, as am I. I'm praying for her family and friends as you all go through this sad loss. She said Parker reminded her so much of Anna... and she saw the potential he had because of all the things Anna has accomplished. <3

“ I will miss my 5th grade teacher. She made learning fun and always encouraged me to do my best. Her kindness and patience helped me grow, not just as a student, but as a person. I'll always remember the special moments we shared in class and the life lessons she taught me. But I'm grateful for everything she's done for me.

“ I can't believe that Diane is gone. I first met her at Wilson School, and we shared many talks about schools, education, and family. She adored her husband and daughter, and all of her family. She was a good friend, and the idea that we won't see her again is heartbreaking. Hugs and prayers to those left behind. ❤️

“ Diane was my babysitter when I was growing up. She was always a warm and positive person. She was always lifting others up and advocating for others. I know she will be missed so much by her family and friends. Our hearts and prayers go out to them.
