“ *William and Family,  
We are so very sorry to hear of the loss of your Father. We were friends of your Mother and Father for many years and your Mother worked for my Mother and Father at Testworth Labs, in Addison, Ill for many years. Your Father was a kind and gentle man and I can't say enough of the wonderful relationship your Mother and Father had with one another. We send our thoughts and condolences and will keep them in our memory forever.*

*Love,*
