“*Millie and family~We pray that God will grant you His peace during this difficult time. I will never forget the first year I did VBS and I had a receipt to turn in. Karyn told me to give it to "Uncle Fuzzy" and I had not a clue who that was. I think my fondest memory will be of this past year's VBS when I chose him to give me my PIE in the FACE! Then in turn, I gave him the gummy worms in his birthday basket. I am grateful to have known such a wonderful man for these past few years and for his dedicated service to Davis! Blessings dear friends.*
