“ While there are no words to fully to express what Donna means to me. She always knew when you needed a hug or just a few words of encouragement. She was a sister to me. Her smile would light up the whole room. You will be missed more than you know. What an honor it's been to be you friend. Save me a good seat. Until we meet in heaven I Love You.

“ I worked with Donna at Walmart. She was one the most kind, caring, and nicest people I know. She will be missed dearly. She always had a way of making me laugh and smile when I was down. Oh boy and her obsession with Bruno Mars 😍. I love you Donna! My thoughts and prayers go out to your family.
