“ I will forever cherish the childhood memories of all the summers spent here, the many nights you took me and made sure I was happy, you were more of an aunt to me than a cousin, and that was how I will always look up to you. I will always be grateful for the first months I came back and the long talks we had, I pray you knew I loved you, because nothing could ever change that. I love and miss you Donna with all my heart. I know Mike was there to take your hand and make you smile that beautiful smile I always remembered in my years away.

“ My Heartfelt sympathy to all who loved and knew Donna. I have not seen her in a very long time, but I remember her very well, and she was always the nicest, funniest Aunt to me. (well maybe a little bit crazy too LOL ...in a good way) And she always had a smile on her face. One of my favorites for sure. I will always remember her this way. All my Love, Dawn
