“ I have so many memories of Aunt Dora. She wrote beautiful poems and loved to share them ❤️ I always got a kick out of going to visit only to find she had painted her living room AGAIN! While in high school Cindy and I painted for her. Of course that was my first attempt at painting and to this day I'm not very good at it but, that day she showed such patience with me. We've shared many laughs and stories, mostly having to do with my Dad. She loved him so and took such good care of him. He loved her just as much! It warms my heart to know they are together again. I will miss her but I am so happy to have my memories of her. There is nothing more special than when the cousins in the family get together to share our childhood memories ❤️

“ I miss Grandma's meals the most and her funny way of letting you know she didn't like something. She also had a hot foot when driving her Crown Victoria.

She loved her family.
