“*Dorie's smile lit up her whole face, and she smiled lot. She was a great cook, especially Sunday chicken dinners w pie. She was patient, kind, and hard working. Her garden was where I learned about digging potatoes, and picking beans, tomatoes, and melons from under the vines. The walk of flowers always made me happy and more excited to see everyone. She was a great mom to three of the most kind people I know. Aunt Dorie was a caring aunt that was interested in everything we said or did. So many memories. I wish there were more. She is gone too soon, but deserves her rest.*

*We love you,*
