“ I am thankful to have been a part of Mom Martin's life for so many years, she considered me as one of her own. I truly felt her love for Ronnie, myself, our children and our grandson. She really enjoyed being with Jennifer, Dave, Ewan, Jamie, Christopher and Gretchen, they always knew how to make her smile! She will be with me forever in spirit and in my heart, and her memory will be cherished forever. I will remember her life as I mourn the loss and celebrate her life. I would like to thank all of the caregivers who have taken such wonderful care of Dorothy. I appreciate the care and concern that they all have given her and made her quality of life much easier for her. Love, Margo Martin

“ My heart is broken and I have so so many regrets. I will always remember the private smile she gave me when she was just brought home from the nursing home. The house was full of family and caregivers organizing her care but for that moment we were alone. We will be alone again in my mind at quiet times.  
Your proud son,  
Ronnie

“ I was always "Patsy" to Aunt Dorothy and I can remember all the many family get togethers at Grandma & Grandpa Martin's when we as kids played with all the cousins. Remember the "outhouse" we used when there. Of course then we all grew up and moved to a lot of different places. When Richard & I celebrated our 50th class Reunion, we were in Indiana for long enough for me to go by and see Aunt Dorothy. She showed me all of her children's pictures and their children's pictures. She was so proud of all of you. The last time I saw her was at Aunt Wilma's funeral and then I got to talk to David's wife Valerie more than I ever had before. It's too bad the Martin Family is so scattered but it's wonderful we have all our memories and I hope that they will comfort you.
