“ Growing up and hanging out over at Jeanette's house, over the years, the Taylor family was my second family. Dorothy was everyone's grandma, and I could sit forever and just listen to her stories about any subject, being from Kentucky and her childhood, falling in love with her soulmate George, raising her children, but my favorite was her love for the Lord. She lived a long and blessed life, and now she can rest, be with her Lord and Savior, and she's reunited with George Sr., George Jr., Jeff and Daniel. My condolences to the entire Taylor family, and if any of you need anything, I'm just a phone call away. With love, Tricia Pitts Manns

“ Oh Dorothy I'm so sad to hear your gone but so very happy to know your sitting with Jesus! I'm so thankful for the love of Jesus that flowed from you! I'm gonna miss you! Gabby and I were just talking about bringing her baby dolls to see you again. Thank you for all the love you showed us through the years! I can hear your sweet voice singing on the front porch praising Jesus! Rest in peace!
