“ Aunt Edna was always so happy and made us laugh. When dad came to Indiana to find work. We stayed a few days with her and Berly. We had white beans and light bread. To many memories to share right now.

“ I am so sorry that I can not be with you guys today. I loved Larry and my Uncle Berley and Aunt Edna so very much. When I was a kid I remember when we used to pile in a car and go visit them. Uncle Berley was so exciting to be with and Aunt Edna so very kind and sweet. When Milton went north to find a job with Ford-he stayed with them and they helped him so very much. I have wonderful memories and they will always be in my heart. Love to you all. Rita
