“ I only have a picture now,
A frozen piece of time,
To remind me of how it was,
When you were here, and mine.

I see your smiling eyes,
Each morning when I wake,
I talk to you, and place a kiss,
Upon your lovely face.

How much I miss you being here,
I really cannot say,
The ache is deep inside my heart,
And never goes away.

I hear it mentioned often,
That time will heal the pain,
But if I'm being honest,
I hope it will remain.

I need to feel you constantly,
To get me through the day,
I loved you so very much,
Why did you go away?

The angels came and took you,
That really wasn't fair,
They took my one and only Son,
My future life. My heir.

If only they had asked me,
If I would take your place,
I would have done so willingly,
Leaving you this world to grace.

You should have had so many years,

*To watch your life unfold,
And in the mist of this,
Watch me, your Mum grow old!*

*I hope you're watching from above,
At the daily tasks I do,
And let there be no doubt at all,
I really do love you.*

“ *We had big plans we was tending to do for the rest of our lives.. I'm going to do them for us both now.. We had each others back threw alot and taught each other alot.. We had a blast riding them bulls we was going to take it big time together.. 3 rides and you had a 8 Second ride.. That's impressive. I remember how happy you was.. I promised I would get you riding and we made it happen brother.. All the other things we was going to do will still happen.. And I will still keep my word on everything I promised you.. I know one day we will be riding bulls together again... When that day comes I'll hear you saying that slang that you liked 'Spurem In The Neck'. I will always remember you brother.. No one will ever take your place.. Its sure been a good ride brother.. And your the only person in my life that always said google it when we had a question lol, keep reachin for rank brother, you can ride and cover any bull you want,.. And I know when I'm setting down on that bull about to make the knod that you will be with me.. Or with me when I am doing something I shouldn't lol... I don't know how I am going to do it without you brother.. We was closer than I have ever been with anyone.*
